COST

£300 for all 6 sessions

WHAT DELEGATES SAID

I love the scale and depth of the content.
Empowering! Cutting edge research that informs pedagogy.
I have gained insight. I have methods now I would have never thought of using before.
The facilitators impart their knowledge and experience in a non-judgmental way that makes me feel equal and valued as an educator.
It is great to have practical things to take away, as well as further research to read and absorb in my own time.
